Signed: (Parent)

Date:

Once courses start in September, any requests for changes need to be carefully considered. Lessons will have embedded essential knowledge and skills for the rest of the course within the first few weeks, making it difficult to catch up and achieve the progress needed for success.

For a change to be considered, a written request from parents should be given to Mr Holmes (Deputy Head Teacher). An interview with CEIAG leader will be arranged for the student, to which parents will be invited. A discussion with parents will also be needed before the decision is finalised.
